Certifications

Metafora Translation Services proudly stands as one of the few Kazakhstani translation companies to achieve certification under ISO 17100 and ISO 18586 standards. These prestigious certifications, granted by Austrian Standards, GmbH, underscore our commitment to excellence and quality in translation services.

BAYTEREK, ASTANA

Technology

We leverage advanced translation and QA software alongside dedicated project management tools, ensuring seamless workflows and delivering exceptional efficiency at every stage of the process
